

## Salcombe Art Club

The Loft Studio, Victoria Quay, Salcombe, TQ8 8DA

[www.salcombeartclub.org.uk](http://www.salcombeartclub.org.uk)

The Salcombe Art Club was founded in the 1960s to provide an opportunity for local artists to display their work and to develop their skills. Membership is open to both experienced artists and beginners. All members will be able to learn to enjoy a satisfying and stimulating activity by participating in classes held at the Loft Studio during the winter months.

There are three categories of membership:

**Lay** members may take part in the educational and social activities and generally assist in supporting the club but may not exhibit. (£12)

**Associate** members may take part in most club activities including exhibiting in the Little Studio section of the Annual Summer Exhibition. (£17)

**Full** members may take part in all club activities and exhibit their works in the Annual Summer Exhibition when they are required to carry out their share of stewarding duties. (£27)

The selection panel meet annually (usually in February) to select from Lay members who wish to become Associate or Full members. The usual progression is to become an Associate member for a year and then on to Full membership the following year. Sometimes the panel may decide to admit a member straight to Full membership.

The Club members are a cheerful and friendly community and new members will be most welcome. For more details or to apply for membership please contact

Claudia White (Membership Secretary)

7 Hazeldene, Sandhills Road, Salcombe TQ8 8JP
